HOW TO GET INVOLVED

When you join SEBA, there are several opportunities to connect with other students by participating in a variety of activities and events, such as those listed below:
• Attend monthly meetings
• Participate in campus events during National Eating Disorders Awareness (NEDA) Week
• Attend local NEDA walks
• Raise money for eating disorder awareness
• Advocate for campus resources that support eating disorder recovery
• Get to know other MSU students at potlucks, movie screenings, and craft nights

WHAT WE DO

We collaborate with MSU Student Health & Wellness to plan and participate in a variety of events on campus in an effort to educate other students about important issues related to body image and eating disorders. We are not a support group for students with eating disorders. Instead, we promote and provide information about resources that can help students who are struggling with concerns related to food and weight.
